I understand that Jebel Ali School offers assessments to children in the following priority order: Children covered by a Corporate Debenture, children who are siblings of current Jebel Ali students, other applicants in date order of application. **(Note that the first sibling of a Corporate Debenture student does not qualify for sibling priority)**

I understand that should my child be offered a place, the acceptance of the place is dependent on my paying a Personal or Corporate Debenture (please see information regarding debentures on the school website).
