# FAQs

## **How do I book my activity?**

Please contact the providers directly using the contact email listed to book your activity.

## **How do I pay for my activity?**

All payments are to be done directly to external providers.

## **What do I do if I am late to collect my child?**

Once you register your child/children for an activity, the provider will give you a contact phone number.

Parents are expected to collect their children on time. However, if after 10 minutes you have not collected your child you will receive a phone call from the provider. The provider will not leave the school until all children are collected from the session. The late pick-up location will be the Main Reception or the pool for swimming activities.

## **Where do I collect my child if they are in a paid swimming lesson?**

All children in FS2 to Year 2 have to be collected by parents from their regular pick-up location. Parents will then take their child/children to the poolside. All students in Year 3 to Year 6 can make their own way to the poolside and be collected at the main reception at 3:20 pm. If parents wish to take their child/children to the poolside they may do so. Please note that ECA children should only use the changing facilities and toilets on the pool deck (marked "parent toilets"). For child safeguarding reasons, no adult should enter any other changing facilities.

## **How do we access the poolside for paid swimming lessons?**

All children and parents will access the poolside via the side gate next to the field. Changing rooms can then be accessed from the poolside.

## **What do I do if my child is sick and cannot attend the paid activity?**

Please contact the provider at the email address provided to inform them that your child/children will not be attending the activity.

## **How do providers manage refunds or missed sessions?**

This will be dealt with directly by the providers and will be as per their company policy.

## **How will medical emergencies be dealt with?**

Jebel Ali School medical team will be on-site for all paid ECAs.

Swimming runs for a full school term of lessons from 28th August to 8th December. Those who join after the term has started, the term fees will be pro-rata for the remaining weeks in the term.

For Swimming ECA, children up to and including Year 2 must be accompanied to their swimming lesson with a parent or guardian for child safeguarding reasons (changing to swimsuit and toilet requirements). From Year 3 and over, children can arrive for Swimming ECA on their own.

Pick up location: Swimming Pool. Primary School children must be collected by a parent or guardian from the swimming pool and will not be released from the gate on their own.
